

Aerocon Project Kick-off Event 16/02/2023

When: Thursday 16th of February 2023

Where: VUB Campus
Pleinlaan 2, 1050 Brussels

Agenda:

- 12.00 Welcome lunch
- 13.00 Kick-off presentations
- 14.30 Discussion research road map
- 15.30 Closing drink and networking

The Aerocon project aims to develop a new generation of **high-performance** building materials and elements integrating **aerogels** and **Textile Reinforced Cement composites**. Thermal and mechanical properties will be harmonized to design load-bearing **sandwich panels** for various applications.

Meet all companies of the Advisory Board and all involved researchers in this kick-off event of FWO-SBO research project AeroCon.

With this meeting, we want to make sure your input is taken into account in the research road map to achieve the project goals.

Make sure to be there to explore the possibilities of the AeroCon project for your company !
